Tel: 808-450-2483

Refining & Chemical
Terminals, Pipelines & Storage

Fossil & Solar Power Production

Hydro Power & Water Management

Process Control Equipment
Pressure, Temperature
Level Transmitters & Systems
Valves, Actuators & Controls
Gas, Fire & Flame Detection
Process & Ambient Analyzers

Mining & Minerals Refining

Guam Address: 162 Western Blvd. #411 Barrigada, Guam 96913

Tel: 671-688-4658

Hawaii Address: 500 Ala Moana Blvd., Tower 7, Suite 400 Honolulu, HI 96813

Measurement: Flow, Pressure, Temperature

Pressure/Temperature

- Multivariable Transmitter
- Differential Pressure
- Remote Seals
- Boiler Drum Level
- Thermocouple, RTDs
- Temperature Transmitters

Flow Meters

- Magnetic
- Vortex
- Coriolis / Mass Flow

Level

- Open Path / Guided Wave Radar
- Valve Positioners
- Displacer Level Transmitters
- Interface & Density Measurement

Analytical

- pH SMART pH Probes & Analyzers
- ORP
- Conductivity
- Dissolved Oxygen

Clamp-On ULTRASONIC Flow Meters

- Pre-Calibrated
- NO DRIFT
- Immune to Temp Changes
- Liquids and Gas

- Micro Coriolis Meters
- Thermal Mass Flow Controllers
- Pressure Controllers
- Precision Dosing Systems

- Thermal Mass Flow Meters
- Inline & Insertion Flow Meters
- Thermal Mass Flow Switches

Gas, Fire, and Flame Detection

Honeywell

Honeywell Analytics Gas Detection

- Toxic & Flammable Gas Detection
- Open-Path IR LEL Detection
- Controllers, Single & Multichannel
- Flame Detectors

Honeywell

INDUSTRIAL FLAME MONITORING

- Digital Boiler & Burner Flame Scanners
- UV/IR, UV, IR Scanner Technologies
- U2 Integral Scanner & Processor

WATER ANALYZERS

- Dissolved Oxygen
- Silica, Sodium
- Hydrazine, Hardness

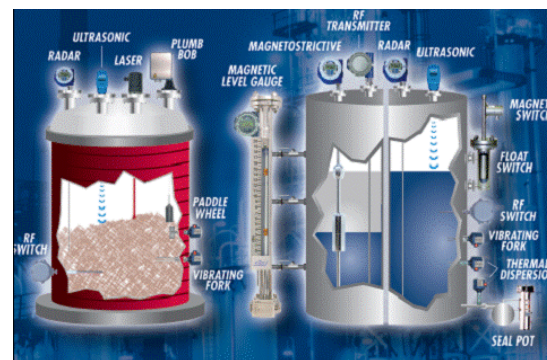

- Ethylene Glycol
- Oil in Water
- Copper & Iron
- Ammonia,

Level & Process Measurement

K-TEK

- Magnetic Level Gauges
- Magnetostrictive Transmitters
- Guided Wave Transmitters
- Capacitance Level Probes

- Boiler Drum & D/A Level Systems
- Gage Glass Assemblies
- TWIP Systems, Drip Leg Probes

- Wireless I/O & Gateways
- Open & Licensed Spectrum: 400-900 mHz, 2.4GHz, 5.8GHz
- Gateway Radios: MODBUS RTU, Ethernet TCP/IP, PROFIBUS

Control & Isolation Valves & Actuators

rotork®

- Electric, Pneumatic, Hydraulic Actuators
- ElectroHydraulic Actuators
- Control Valve Actuators
- Skotch Yoke, Rack & Pinon, Linear Designs

REMOTE CONTROL

- Control Valve Actuators
- CVQ / CVL : Quarter Turn and Linear Electric
- Electric Fail Safe, No Battery, No Springs
- Integral Smart Positioner

Jordan CONTROLS

a rotork Company

- Skotch Yoke, Rack & Pinon, Linear Designs
- Pipeline Actuators and Controls

K-TORK

- Rotary Vane Actuator
- Damper Actuators
- Ball, Plug, Butterfly Valve Actuators

ADAMS

- Metal Seated Triple Offset Butterfly Valves
- Custom Face-to-Face & Materials
- Cryogenic & High Temperature

MOGAS®

SEVERE SERVICE BALL VALVES

- Metal Seated Ball Valves
- High Temperature & Pressure
- Severe Abrasives

ITT

ENGINEERED FOR LIFE

- Skotch Trifecta Fuel Safety Valves
- Single Body Double Block & Bleed for Gas
- Single Body Oil Fired & Atomized Oil Isolation Valves
- FM Approved

SVF Flow Controls, Inc.

PERFORMANCE ENGINEERED

EBRO ARMATUREN®

Stafsjö

SINCE 1888

- Flanged, SW, Threaded Ball Valves
- C.S., S.S., Alloy Materials. Fire Safe
- V-Port Automated Control Valves

- High Performance Butterfly Valves
- Lined M-PTFE, Sanitary, UPW

- Slurry & Dry Solids
- Metal Seated Knifegates
